

A stylized illustration of a landscape. At the top right is a large orange sun with a yellow chicken silhouette inside it, surrounded by orange leaves. Below the sun are blue wavy lines representing hills or water. In the center, a dark green rectangular box contains the text 'PERMACULTURE DAY'. To the right of this box, another dark green box contains the date '2ND MAY 2021'. Below these elements, there are silhouettes of a house with a window, three chickens, and several small green plants. The background is a mix of blue and green tones.
